Overview

"There are lots of predators out there... stalkers who'd just love to have a taste of someone like you..."

Plot Summary

The graveyard shift at a dingy diner in San Francisco -- that's where MC's story begins. It's just another normal night, or at least it seems to be.

...That is, until a certain mysterious customer stops by, bringing the dangerous attention of a few people with him. When it rains, it pours, and suddenly MC finds himself in the middle of a war he didn't even know existed... between vampires.

How does MC react to the dark, violent world that opens up before him? That's up to you!

Characters

MC

(renamable, default Ash)

Age: 24

Height: 5'8

Race: Human

Changeable personality

Changeable interests

Works diner night shift

Favorite food: Pasta

Favorite color: Purple

Pet peeve: Dirty dishes

Ash has been stuck in San Francisco for most of his life. Even though he dreams of becoming a famous artist (whether in music, digital art, or writing is up to the player!), he currently works the graveyard shift at a run-down little diner.

He's wry, tough, and determined by default, but his personality changes and grows throughout the course of the game!

Dominic

Age: 24

Height: 6'3

Race: Vampire

Quiet, cool, withdrawn

Bruiser, bodyguard

Fights for Clan Seirei

Favorite possession: Lighter

Favorite city: New York

Pet peeve: Rashness

Despite his intimidating appearance, Dominic prefers to keep to himself. A man of few words, he rarely offers any insight into his thoughts, but his silence suggests a deep conflict going on beneath the surface.

Isaac

Age: 27

Height: 6'1

Race: Human

Charming, elegant, crafty

Information/weapons broker

Neutral to clans

Favorite flavor: Coffee

Favorite animal: Crow

Pet peeve: Bad coffee

Isaac reeks of "unscrupulous businessman," and makes no effort to hide it. He seems very out of place among the rough, unrefined types who hang around San Fran's seedy parts, though there's a good reason for the company he keeps.

Rex

Age: 21

Height: 5'10

Race: Vampire

Rebel, impulsive, punk

Hunter, fighter

Part of Clan Helgen

Favorite weapon: Fists

Favorite clothes: Leather

Pet peeve: Authority

Wild, impulsive, bloodthirsty, and Dominic's polar opposite, Rex wears his vampiric nature like a badge of pride. It's a wonder he's lived as long as he has, considering his reckless nature and insatiable appetite.
